Brand New Book ***** Print on Demand *****.Mr. Edison tells us that ninety per cent of the energy that there is in coal is lost in the present method of converting it into a usable force. May I, without being considered a croaker, say that almost the same amount of spiritual power goes to waste in our average church life? One is startled at times as he notes the manifestations of fervor and warmth in the devotional meetings of the present day, and the meagre results that follow in the transformation of society into the likeness of the kingdom of heaven. Exactly what we have to do, however, is to help hasten the answer to the prayer our Lord taught us, Thy will be done on earth as it is in heaven, and not to be forever seeking to build tabernacles on some Mount of Transfiguration.
