Spergule is sometimes sown about mid August, on land that has borne wheat; and in October, the cows are put into it. The spergule which they cultivate for seed, is sown in March, and reaped in June. i It is to be observed, that the riches of the land of Waes consist chiefly in the culture of flax and hemp; the other crops being in general for their own use, and for home consumption, which indeed is very considerable, on account- of the great popu-lation of this district. The produce of their flax. and hemp is so considerable, that in a good year, they are reckoned to amount almost to the value of the ground.-- -The agriculture of the land of Waes, passes, in-disputably, for the most complete and...
