Mariner Books. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.1in. x 5.3in. x 0.7in. A gripping chronicle of how a fear-frozen society finally topples its oppressors with the help of social media. San Francisco Chronicle Wael Ghonim was a little-known, thirty-year-old Google executive in the summer of 2010 when he anonymously launched a Facebook page to protest the death of one Egyptian man at the hands of security forces. The pages following expanded quickly and moved from online protests to a nonconfrontational movement. On January 25, 2011, Tahrir Square resounded with calls for change. Yet just as the revolution began in earnest, Ghonim was captured and held for twelve days of brutal interrogation. After he was released, he gave a tearful speech on national television, and the protests grew more intense. Four days later, the president of Egypt was gone. In this riveting story, Ghonim takes us inside the movement and shares the keys to unleashing the power of crowds. In Revolution 2. 0, we can all be heroes. Revolution 2. 0 is an engaging read, and it offers a sharply detailed look from the inside of an uprising that owed almost as much to social media connections as it did to anti-Mubarak passions. Los Angeles Times Revolution 2. 0 excels in chronicling the roiling tension in the months before the uprising, the careful organization required and the momentum it unleashed. NPR. org This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
