

Rendering Techniques 2001

By Gortler, S. J. / Myszkowski, K.

Book Condition: New. Publisher/Verlag: Springer, Wien | Proceedings of the Eurographics Workshop in London, United Kingdom, June 25-27, 2001 | This book contains the proceedings of the 11th Eurographics Workshop on Rendering, which took place from the 25 to the 27th of June, 2001, in London, United Kingdom. Over the past 11 years, the workshop has become the premier forum dedicated to research in rendering. Much of the work in rendering now appearing in other conferences and journals builds on ideas originally presented at the workshop. This year we received a total of 74 submissions. Each paper was carefully reviewed by two of the 28 international programme committee members, as well as external reviewers, selected by the co-chairs from a pool of 125 individuals. In this review process, all submissions and reviews were handled electronically, with the exception of videos submitted with a few of the papers. The overall quality of the submissions was exceptionally high. Space and time constraints forced the committee to make some difficult decisions. In the end, 29 papers were accepted, and they appear here. Almost all papers are accompanied color images, which appear at the end of the book. The papers treat the...

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
