The little girl in the Fairy Tale called CINDERELLA must have started off the very same way - back when she was given the name of Ella which means, Torch and Bright Light. They forced her into a place where she changed who she really was on the inside. They began to call her Cinder-Ella because she was always dirty from tending the cinders of the fires to keep them warm and filled. She lost her own identity by believing that they had the right to do this to her. She absorbed their darkness and caused her own light to be almost snuffed...
