## Following Ezra

---

By Tom Fields-Meyer

Penguin Random House LLC, 2011. Softcover. Book Condition: New. A heartwarming, intimate and amusing memoir of a father's experience raising his autistic son. When Tom Fields-Meyer's son Ezra was three and showing early signs of autism, a therapist suggested that the father needed to grieve. "For what?" he asked. The answer: "For the child he didn't turn out to be." That moment helped strengthen the author's resolve to do just the opposite: to love the child Ezra was, a quirky boy with a fascinating and complex mind. Full of tender moments and unexpected humor, *Following Ezra* is the story of a father and son on a ten-year journey from Ezra's diagnosis to the dawn of his adolescence. It celebrates his growth from a remote toddler to an extraordinary young man, connected in his own remarkable ways to the world around him. "*Following Ezra* is a revelation. I could not put it down. This inspiring memoir of a father raising (and being raised by) his autistic son is a great lesson about patience and the blessings that can come when we let our unique children lead us." -- Rabbi Naomi Levy, author of *To Begin Again* and *Hope Will Find You*....
