Pub Date: 2012 07 Pages: Stuff Production Language: Chinese Publisher: Beijing Publishing Group. Beijing Education Press. (high) test well received by the concern and attention of the whole society. every junior high school (high school) will go all out to carry out a total review of the exam. each candidate will do a lot of exercises and simulation papers exam. we all hope that in the (high) exams and achieved excellent results. was admitted to the ideal high grade school. (High) test is open to the public. but also fair competition. But the primary school graduating class was a bit special. The one hand. in order to reduce the burden of students. in addition to the part of the Foreign Language School. Experimental High School and private schools. the small rise in early implementation of the enrollment of dicing. the principle of the nearest school. the education sector is not organized unified entrance examination. primary school graduating class as long as the completion of the graduation exam can be. Therefore. the graduating class teachers are generally not in the classroom for all students on the more difficult questions. it will not layout with plenty of extra-curricular exercises to enable all students to practice. the school will not again and again to organize mock examinations. the final graduation exam results due to the the exam difficulty of smaller often happy. On the other hand. since at this stage between schools in school conditions. faculty objectively there are still some gaps. into the elite school is the desire of many students (especially parents). so school choice phenomenon still exists . Some schools by public examinations selection of students. other schools...
