Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The New Testament is the New Covenant. What is that Covenant, binding in full upon all who sign it, both God and man? The completion of all that God does upon this earth will be found only in the fulfillment of that Covenant in our lives. This volume weaves together three mighty strands of truth. The first strand is the most important verses in the Bible, the central terms of that Covenant. The second strand is the one time and place God showed His true self to His creation - the Path of the Atonement, walked by Jesus from Gethsemane to the Throne of God. The third strand is the Tabernacle of Moses, the symbols of God upon which the New Covenant is written. We know God as the One who fills us with all of His fullness; we know God as the One who flows out of our bellies in rivers of living water. The Veil is wide-open. But God does not command us to eat of life. We must boldly enter in. Faith alone, a heart of faith - the heart of God, seizes the full Bond of the Covenant.
