

The Spirit in Alignment: 10 Uplifting Poems and 9 Knights the Foe

By Ricky Tyrone Morrow

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a very unique book of poetry. It will take you to a very deep place regarding love, desire, honesty, strength, hope, and spirituality. And it will also take you to a dark place of truth, reality and injustice. I have to admit, even though my poems in my first book are just as important as the poems in this book, I feel a special connection with the subject matter in my second book of poetry. Before you click to the next book, take a peek at this book and some of the poetry titles. And I hope you will order a copy. Poetry sends out a powerful message from a writer's heart, soul and outlook on life.
