There are some things in life that cannot be forgotten, much less forgiven, and for Rosamund it was catching her boyfriend cheating on her with her swine of a sister. Leaving without a backward glance and nowhere to go, Rosamund finds herself in the Welsh Marches with her old school friend Gloria?but if Ros thought the city was full of intrigue and betrayal, it?s got nothing on Kings Newton. Before she knows it, she?s neck-deep in trouble with the testily prenuptial Gloria, planning floral subterfuge with a gossipy colleague, and covering for all and sundry in a desperate attempt to survive the battle between the swoon-inducing lord of the manor and his unruly townsfolk.
