## EYES OF UNDERSTANDING

What is the Eyes of Understanding? The title of this book refers to the vision that lies beyond the natural eye, one that reveals how our life maps back to God, through His Word. When darkness is removed, seeing becomes understanding, and this vision of life is made clear. How are we to understand why things occur in life, if we do not comprehend God's purpose for our life? Unless we understand our beginning, we will not understand our end. This book offers the reader simple spiritual insights, making sure each insight maps back to the Word of God. In addition, the book contains a series of short, targeted prayers. Rhonda Anderson is a freelance Business Analyst and Web Designer. She has over 10 years of experience in her profession, and has been commended for her gift of capturing complex information and turning it into comprehensible text. Rhonda is earning her degree in Theology. She is an avid Intercessor: lying on her face before God, seeking His revelations, and interceding for others. She strongly holds that God will use whosoever, to do whatsoever, to fulfill His purpose. Rhonda has been inspired to minister through her writing, for the outreach of souls. It is her belief that getting to know God should be simple, clear and precise, as well as understandable to everyone. One of her supporting Scriptures for writing is Jeremiah 30:2; Thus speaketh the LORD God of Israel, saying, Write thee all the words that I have spoken unto thee in a book. Rhonda is a native of Richmond, Virginia, and she has two daughters and one grand-daughter.
