Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

WALKING'S NEW MOVEMENT

Triarchy Press. Paperback. Book Condition: new. BRAND NEW, Walking's New Movement, Phil Smith, Among other things, Phil Smith proposes: * An unravelling of psychogeography from its early roots, assessing its contribution to the state of the walking arts, and looking forwards/around to what might come next. * a partial mapping of the 'evolution' of walking that looks at 'stages' in that evolution. * a helicopter view that allows walking artist/practitioners to place themselves in historical and artistic context. * important new ideas about abusive semi-public spaces (in the wake of scandals in the UK and elsewhere involving public figures, the church and others) - suggesting how radical walking can act against 'the spectacle' and power. * a compelling theory about romanticism and the postmodern in relation to walking. * a World Brain for walking.# * strategies, tactics and a full manifesto for Radical Walking.
