Cultural Differences386.4. Limitations of the study396.5. Future Research and Recommendations397. Referencesvi8. AppendicesixThe term Work-life balance has become very popular over the past decades due to several reasons. For example, the demographic changeand business pressure to be the employer of choice in order to attract a decreasing numberof skilled workforce cause companies all around the world to offer Work-life balance policiesthat aim at supporting their employees in creating a healthy and productive balance betweentheir working and private life.Moreover, certain differences between cultures in terms of the employees Work-life balancesand the employers approaches to it can be noticed. As this dissertation concentrated on thedifferences between the U.S. and German culture, it compared a questionnaire filled out by anAmerican employee working for an American company to a pilotstudy of German companies. Differences were discovered in the attitude towards the Worklifebalance of...
