

The Child of God: Or What Comes of Our Baptism

Filesize: 8.12 MB

Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

THE CHILD OF GOD: OR WHAT COMES OF OUR BAPTISM

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 296 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. To those who are familiar with the book published in the Quarterly Series under the title of First Communion, few words will be needed to recommend another work of kindred purport from the pen of the same gifted author. This also is a child's book, and it aims at bringing home to the minds of our little ones a sense of the responsibilities which follow upon the Sacrament of Holy Baptism, even as its predecessor dealt with the dispositions required for the worthy reception of the Blessed Sacrament of the Eucharist. The audience addressed is conceived as slightly more youthful than that contemplated in the former work. Stories and illustrations have been multiplied, and variety has been more consistently sought by means of questions and interruptions and snatches of dialogue, such as must naturally ensue when a narrator is chatting pleasantly to an audience of little folks who are both thoroughly interested and thoroughly at their ease. It is to this freshness of treatment and its patient adaptation to the slow workings of a child's mind that, in the judgment of the present writer, the great value of Mother Loyola's writings is mainly due. The real core of a child's intelligence and conscience is often singularly impervious even to the talk which interests him. Perhaps it would be truer to say that these two faculties are the last of all to quicken into life. No doubt it is a wise disposition of Providence that the opening bud is so shielded and wrapped round that the rain and sun can penetrate but slowly. It is hard for children to think at all, and harder still for them to think...
